MoHo HOUSEWARE PROFILE

MOHO
Houseware

MOHO Houseware Co., Ltd., the leading supplier of cleaning tools in the world with its offices located in Ningbo, Taizhou, China, has three decades of experience in the plastic industry and 20,000 area factory plant in Taizhou. The company was newly established the MOHO brand in 2009 to promote into the market.

With 400 employees located in Taizhou and Ningbo, more than 150 machines all first-class injection, molding and auxiliary plastic producing machines from German, Italy and Belgium. MOHO Houseware provides world top level quality plastic cleaning tools which has enabled to expand its business from China to worldwide.

MOHO Houseware has its own design team to develop new products from tab, packaging, industrial design to molding design for our global clients including OEM clients.

MOHO Houseware provides high-end quality, fashion design products with a reasonable, competitive price and premium logistic tracking service for all merchandise.

For years, MOHO Houseware focuses on manufacturing cleaning brush, cleaning mop, dustpans, broomheads, bucket, gloves and etc., therefore becomes the first choice for cleaning tools.

toilet brush

What do you think of a toilet brush should be?

First you want something that will conceal the toilet brush so it doesn't stand out in your bathroom. You can find them in a variety of styles and colors now. No longer do you have to have a plain white toilet brush caddy.

You can find ones that are a combination toilet brush and plunger set.

Water transfer patterns are available for customized.
